NEW RAIN USA

WE HAVE THE SOLUTION.

HOW IT WORKS

Save rent costs and eliminate waste while increasing your bottom line and focusing on your core business. Your business can enjoy the benefits of logistical expertise without deploying internal resources.

Our fully owned, airconditioned and insured warehouse located in Sarasota Florida handles all ranges of products for brands around the world.

OUR PARTNERS

We work with brands & products in all categories including:

- Tech products
- Home and Garden
- Coffee
- Baby Products
- Pet Supplies
- Food and Snacks
- Auto Products
- Kitchen Products
- Clothing
- Supplements
- General Merchandise

INTEGRATION

Our internal software can be integrated with any program you use to relay orders and shipments. Whether you use standard email or more advanced systems, New Rain can handle it all.

Tracking and updated inventory reports are provided daily. A dedicated warehouse manager is assigned to each client providing a personal touch and relationship.

PRICING

As the world and the way people do business changes at a rapid pace, your warehousing and shipping needs differ from the next so we treat all accounts according to their specific needs.

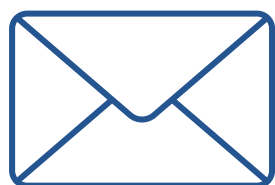

Once you consult with a representative at New Rain, we customize together a pricing structure that you are most comfortable with.

We value your trust and business and you become part of our New Rain Family.
