Inventory Financing Program

NEW RAIN USA

GIVE YOUR BRAND THE SUPPORT IT NEEDS.

WHAT WE OFFER

 New Rain offers our current brand partners as well as potential future brands and new businesses a flexible, customized finance program to help you build and fund inventory.

 Finance loans are available from \$10K-\$1M within 15 days of application. We can help finance 50% to 80% of your inventory.

 Our program provides fast, flexible and smart cash to help you finance your operation.

The internet's most successful ecommerce brands need to spend money on inventory to make money.

NEW RAIN USA

WE HAVE THE SOLUTION.

HOW IT WORKS

If you have inventory in stock we can provide capital directly to you. If you have low inventory, we can pay your manufacturers **directly** for new inventory. Term loans and revolving loans of 3 months – 36 months are available. Annual percentage rate (APR) from 1% per month depending on the loan terms and credit worthiness.

Benefits:

- Covers short term cash shortages
- Prepares and stockpiles inventory
- Expands product lines
- Unlocks capital tied up in inventory

NEW RAIN USA
